

Experienced Patent Attorney roles - Australia

- Excellent opportunities for career progression
- Interesting and diverse work with a large range of local and international clients
- Diverse, dynamic and supportive team environment

Your new role

We are undergoing a period of growth and are looking to recruit several experienced attorneys to join our IP firm. Attorneys with Life Science and Engineering backgrounds are encouraged to apply to work in our award winning and successful, privately owned IP firm.

Your training and skills

To be successful in this role it is a requirement that you have:

- Experience as a registered Patent Attorney (in any jurisdiction)
- Excellent English language skills
- Superior analytical skills
- Commercial acumen
- An ability to work as part of a team and autonomously
- A focus on client service

Culture and benefits

You will have access to all team members including Partners so you can be guided throughout the stages of your career. Additionally you will have the opportunity to take part in our internal mentor programme for your personal and professional development.

This is an excellent opportunity and we have experience with successfully relocating attorneys from overseas. Five of our current Partners have moved through their careers at FB Rice after joining us from overseas firms.

Our team is key to providing the best patent and trade mark services in Australia to our clients, therefore our focus has always been to develop a business that is a great place to work. We offer a range of excellent employee benefits such as:

- Hybrid working policy that encourages flexible working arrangements

- Reward and recognition program that recognises individual and team performance
- A Social Club which provides a wide range of activities throughout the year
- Health and Wellbeing program including access to our Employee Assistance Programme (EAP)

Working at FB Rice

You will be joining a long-established and successful top tier intellectual property firm acknowledged for its client experience and expertise through a number of industry awards. FB Rice represents an extensive range of loyal local and international clients with offices in Sydney, Melbourne, Perth, Brisbane, Adelaide and Parramatta.

As a privately-owned partnership that is committed to seeing the firm remain wholly owned by its partners, we are able to offer a variety of staff benefits as demonstrated above.

How to apply

Please submit your cover letter and CV to peopletrainingculture@fbrice.com.au.

To be eligible for this position you must be fluent in English.

FB Rice will support the Visa application process for these roles as you will need to have an ongoing right to work in Australia.

All expressions of interest are strictly confidential.

FB Rice recognises the importance of a diverse and inclusive workplace, and encourages any interested candidates with the above-mentioned technical background and professional skills to apply. Please read our Inclusion and Diversity Statement on the FB Rice website at fbrice.com.au/careers.
